

# ASHMATH SHAWQEE M.M

Planning Engineer, BSc (Hons) in Civil Engineering (UK)

Riyadh, KSA | [ashmathshawqee@gmail.com](mailto:ashmathshawqee@gmail.com) | +966549804606 | <https://www.linkedin.com/in/ashmathshawqee/>

Immediately Available with Transferrable Iqama

## PROFESSIONAL SUMMARY

**Planning Engineer** with nearly **5 years of experience** in commercial, residential, villa projects across **Qatar and Sri Lanka**. Skilled in project planning, scheduling and site monitoring, with strong proficiency in **Primavera P6, Microsoft Project**, and **advanced Microsoft Excel**. Experienced in baseline preparation, progress monitoring and updating, delay analysis, with a proven ability to manage project timelines, coordinate effectively with multidisciplinary teams, deliver projects on time, improving efficiency through strategic planning and effective reporting.

## WORK EXPERIENCE

- **Planning Engineer**

Al Jaber Trading & Contracting Co., Doha, Qatar

Project: Qetaifan Island North project

January 2024 – February 2026

- **Planning Engineer**

Harbour Village (Pvt) Ltd, Colombo, Sri Lanka

Project: Marina Square Mixed Development Project

May 2021 – November 2023

- **Trainee Civil Engineer**

Harbour Village (Pvt) Ltd, Colombo, Sri Lanka

Project: Marina Square Mixed Development Project

December 2020 – May 2021

## DUTIES AND RESPONSIBILITIES

- Developed and maintained **baseline** and **updated schedules** using **Primavera P6**, aligned with contract scope, drawings, BOQ, and resources.
- Monitored **actual progress against baseline**, performed variance analysis, and implemented corrective and preventive actions.
- Prepared and updated **resource loaded** and **cost loaded schedules**, optimizing manpower, materials, and equipment based on site conditions.
- Conducted **Critical Path Method (CPM)** analysis, float tracking, and delay impact analysis, supporting **Extension of Time (EOT)** claims.
- Planned and optimized manpower, materials, and equipment through resource and cost-loaded schedules to meet project milestones.
- Coordinated civil, architectural, and MEP activities to ensure proper sequencing and avoid execution conflicts.
- Prepared and presented **daily, weekly, and monthly reports** including **S-curves**, manpower histograms, dashboards, and KPI analysis, along with cash flow forecasts and recovery plans.
- Attended internal and client progress meetings, presented **schedule updates**, highlighted risks, and **proposed recovery and acceleration plans**.
- Developed and monitored **cash flow forecasts**, progress-based payment plans, and cost performance indicators.

## EDUCATION

---

- **BSc (Hons) in Civil Engineering** - Liverpool John Moores University, UK  
Student Number: 1035665
- **Higher Diploma in Civil Engineering** - Liverpool John Moores University, UK  
Student Number: 1035665

## PROFESSIONAL CERTIFICATIONS

---

- **Diploma in Project Management using Primavera** - CADD Centre Training Services Private Limited, India  
ID: IBD231114606
- **Certificate in Revit Architecture** - Autodesk, USA  
ID: AP702518097984815492806
- **Certificate in Office Productivity Tools for Knowledge Workers** - SLIIT Academy, Sri Lanka
- **Certified Civil Engineering Technician (QVP)** - Ministry of Human Resources and Social Development – Saudi Arabia  
ID: 183863
- **Advanced Primavera P6, BIM Foundations, Project Management Foundations, Construction Management: Planning and Scheduling, Excel Essential Training (Microsoft 365), AutoCAD 2022 Essential Training, Microsoft Project Management: Choose the Right Tool for the Job, Primavera P6 Essential Training** - LinkedIn Learning

## PROFESSIONAL MEMBERSHIPS

---

- **Saudi Council of Engineers (SCE), KSA**  
ID: 1240474
- **Graduate Member** - Institution of Civil Engineers (ICE)  
ID: 93969186
- **Graduate Member** - American Society of Civil Engineers  
ID: 12573702

## SOFTWARE SKILLS

---

- Primavera P6 Professional
- MS Project
- PlanSwift
- Revit Architecture
- MS Excel
- AutoCAD 2D & 3D
- SAP2000
- Adobe Photoshop
- Adobe Illustrator

## KEY SKILLS

---

- Progress Monitoring
- Expert in Primavera P6, MS Project and Excel
- Project Planning and Management
- Documentation and Team Coordination
- Baseline Schedule Development
- Earned Value Management (EVM)
- Resource Loading & Cost Loading
- BOQ preparation

- Supporting in Delay Analysis (Time Impact Analysis, Window Analysis)
- Lookahead Schedules
- Quantity take-offs for planning references
- Reading and understanding project IFC drawings and BOQs
- Reporting (Daily / Weekly / Monthly)

## **PERSONAL PARTICULARS**

---

**Profile:** Male

**Nationality:** Sri Lankan

**Languages:** English, Tamil, Sinhala and Arabic (Basic)

**Non - Related Referees:** Available upon request

**Marital Status:** Single

I do hereby certify that the above particulars furnished by me are true and accurate to the best of my knowledge.
